Child sent to hospital with head injuries following collision

Police investigated three snowmobile accidents during the past week. One mishap resulted in a five year old child being sent to hospital in Toronto for treatment of injuries.

That accident occurred February 8 on a municipal road in Glamorgan Township. According to police, Brian Cadieux, 33 of Agincourt, was driving his 1971 model snowmobile on the roadway when he lost control of the machine and it slid sideways. On the snowmobile with him at the time were his two sons Chad and Jeremy, both aged five.

As the machine slid sideways, it was struck by a second machine driven by Frank Robertson, 34, of Mississauga. Jeremy Cadieux was taken to Haliburton Hospital and later transferred to Sick Children's Hospital in Toronto suffering from head injuries. The other riders received only minor injuries.

The Robertson machine sustained \$2000 damage while the Cadieux snowmobile had only \$300 damage. Charges are pending against Cadieux.

Investigation of the incident was carried out by Constable Boyd Jarvis.

Snowstorm collision

Two snowmobiles collided during a snowstorm Saturday

evening. The machines were being driven on private property two kilometres east of Haliburton.

Robert English, 22, of Park Street in Haliburton was the driver of one snowmobile, while Wayne Wells, 24, of Riverside Drive in Haliburton was the driver of the second machine. Neither driver was injured.

Damage to the English snowmobile was estimated at \$1500 while the Wells machine will require an equal amount of repairs.

Constable Bill Clendinning investigated the mishap.

Broken throttle cable

Close to \$4000 in damages were sustained by two snowmobiles following an accident February 7 in Havelock Township near Kennis Lake.

The two machines collided on a curve after the throttle cable on a machine driven by Marcelino Ferreira, 22 of Toronto, broke and the machine ran out of control into a snowmobile driven by David Mills, 20, of Toronto. Mills was slightly injured in the mishap.

Damage to the Ferreira snowmobile was estimated at \$800 while the Mills machine sustained \$3000 damage. Police have charged Ferreira with failing to have insurance

On the button! Gareth Kellett, left, and Minden Curling Club president Jim Garbutt add the finishing touches to the ice surface at the new Minden Curling Club. Despite blustery winter weather, a large number of curling enthusiasts were on hand Tuesday evening to take part in the first game in the new facility.

or to have registration for his snowmobile.

The matter was investigated by Constable Brian Dunham.

Strikes guard rails

A single car accident on a county road in Guilford Township has resulted in \$2500 damage to a car driven

by a Scarborough man.

Russell Donely, 52, of Scarborough was the driver of the car which left the road and struck some guard rails. The man has been charged with failing to report an accident.

The incident was investigated by Constable Brian Dunham.

2 vie for NDP nod

At least two candidates have announced their intention to seek the New Democratic Party nomination for the riding of Victoria-Haliburton in the upcoming provincial election.

Art Field, the president of the riding association, and a resident of Valentia has indicated he will seek the nod from the party faithful. Also in the running is the secretary of the local organization, Ted Starr.

The party will hold its nominating convention this Sunday at the Legion Hall in Lindsay. The meeting is scheduled to start at 2 p.m.

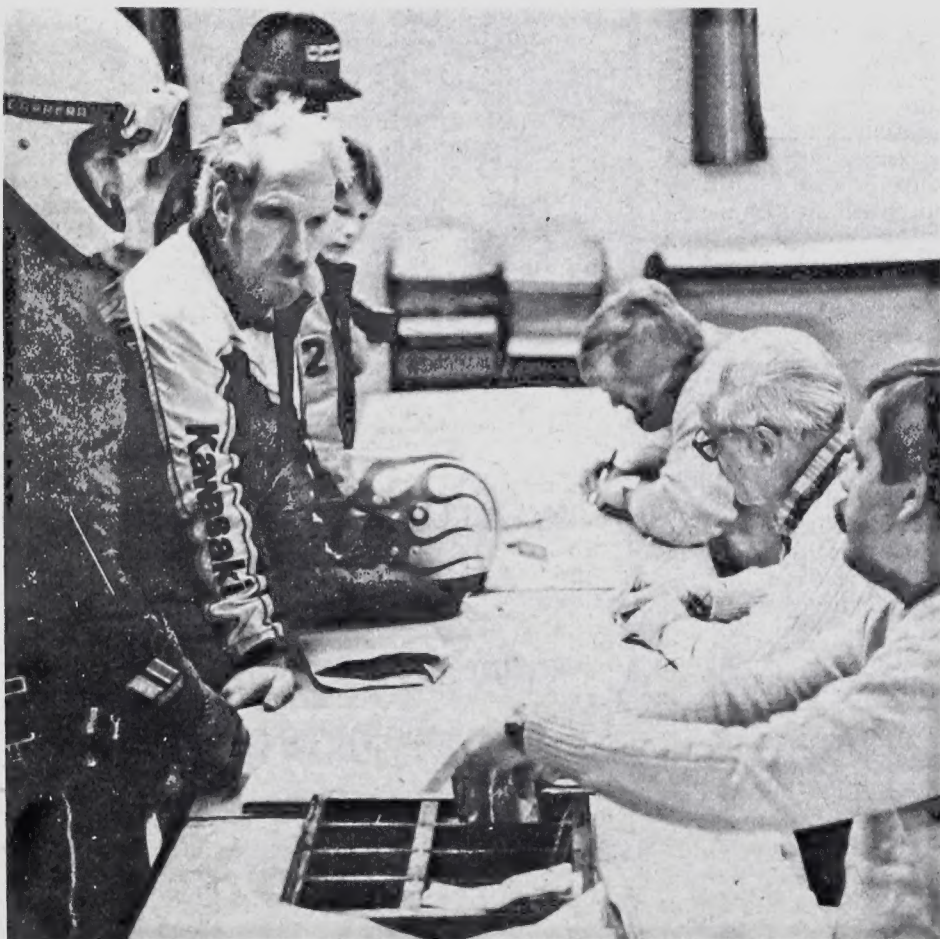

Field has run as an NDP candidate in the 1971 provincial election. He is an employee of General Motors. Ted Starr, a resident of Little

Britain, is a lawyer with offices in Lindsay.

The other riding associations have also indicated their intention to hold nominating meetings. The Liberal association will be meeting this evening (Wednesday) at the Legion Hall in Lindsay with registration taking place at 7 p.m. and the meeting beginning at 8 p.m. Incumbent candidate John Eakins is the only declared candidate for the Liberal nod.

The Conservatives will be meeting this Saturday at the I.E. Wedlon Secondary School in Lindsay. Bette Stephenson will be the guest speaker at the meeting. The meeting begins at 2 p.m. David A. Murray is the only candidate to announce his intentions with regard to the P.C. party.

Best year yet for Snowarama

Riders in the seventh annual Snowarama for Timmy, register at the Minden Community Centre prior to the start of the rally Saturday morning. Members of the Minden Rotary Club organized the event for this side of the county while their counterparts in Haliburton, handled similar duties in that community.

The 1981 edition of the Whipper Billy Watson Snowarama held this past weekend in the county was the best in the fund raising drive's seven year history.

According to Minden organizer Lionel Walker, the annual ride raised \$20,289 in aid of crippled children in Ontario. There were 218 riders registered for the 100 kilometre trip around the county. 167 started from Minden while 51 were registered in Haliburton.

The fund raising rally is organized jointly by the Minden and Haliburton Rotary Clubs. Riders followed a circular route which took them through both communities.

According to the Snowarama spokesman the trails, which were laid out and groomed by the Haliburton County Snowmobile Association, were in good shape. The weather for the day, though not perfect, caused little problems for the riders.

The riders received free gasoline for their snowmobiles while on the route and were treated to a hot lunch at two locations.

Following the rally, a dance (more on page 2)

Harrison tourney this Saturday

Midget teams from six communities in southern Ontario will converge on Minden this weekend for the sixth annual Tim Harrison Memorial Hockey Tournament. The event will be held Saturday at the Minden arena.

The tournament, in memory of Tim Harrison, who died following an accident during a hockey game, has become a popular mid-winter event.

First teams hit the ice at 8 o'clock Saturday morning with games scheduled every hour throughout the day. The consolation finals will take place at 4 p.m. with the championship game slated for 5 p.m.

A hot turkey dinner will be available for players and spectators in the community centre upstairs during the day.

The opening series of games are as follows: 8 a.m. - Minden vs. Haliburton; 9 a.m. - Beaverton vs. Woodville; 10 a.m. - Oshawa Canadians vs. St. Anne's of Peterborough; 11 a.m. - Moose Lodge Bruins of Oshawa vs. Kitchener Canucks.

Spectators are welcome throughout the day to take in the action at the Minden arena.

FROM THE CHAMBER

By Bob Stinson

While the Chamber faces a projected deficit in its present fiscal year we continue to receive suggestions on more activities that we should be involved in. It all takes money so it was refreshing to have one member come forth with one idea that will not only help promote our county but put money in our bank account. Money that will help make it possible to continue with our efforts.

Resulting from a suggestion by Dave Willis of the Rockcliffe Hotel, a section of the Chamber booth will be devoted to "T-Shirt" sales and a special limited production of the old "Rockcliffe Beer Nut" models will be on sale while they last. Dave is ordering 5,000 shirts for this occasion and will staff the section with his own personnel and give the Chamber \$1.00 for each shirt sold. The chamber can therefore expect to net between 4 and 5 thousand dollars as well as building a high degree of traffic and publicity towards the Chamber booth. The only change from the original shirts that were discontinued by order of the L.C.B.O. five years ago will be the addition of the words "Haliburton Highlands" on the back.

This "T" shirt concession is open to any other member of the Chamber wishing to sell shirts identifying their location providing they offer the Chamber the same benefits. That is \$1.00 per shirt to the Chamber and a minimum guarantee of \$100 and provide their own sales personnel.

If anyone else out there has some ideas like this can give us the assistance we need to do a better job for the county we would be pleased to hear from you too.

Let's trade shows

In our last newsletter we invited members to participate in the Chamber booth at the Sportsman Show either by working out of the booth for two days for \$75.00 or just sending down your brochures for a rack fee of \$25.00. Since many of our members attend shows elsewhere it has also been decided to extend a reciprocal offer to those that are doing so. In other words if you take our Haliburton Highlands brochures to the show you are attending and display it in the rack we provide, we will credit you with a \$25.00 rack fee against your participation in the Toronto Show. This should increase the area of distribution of our area promotional brochures while encouraging more members to work with us in Toronto.

Cash for copy work

In addition to the anticipated deficit already mention-

ed our finance chairman also voiced considerable concern over the Chamber's accounts receivable situation. A large portion of this is from the copy work service that is provided at the Chamber office and it was also noted that while the individual amounts are generally very small an incredible amount of bookkeeping is required to keep track of and collect all these accounts. It is possible that this may even be throwing this service into a loss situation.

In view of this the board has directed the office on a strict credit policy and have indicated that copy work in particular, may no longer be charged to an account. All copy work must now be paid for when received.

We regret any inconvenience this may cause to those availing themselves of this service but we hope by these steps to maintain this service at the present low cost to the community and at the same time be worthwhile for the Chamber. Your continued patronage is appreciated.

Snowdon "Snow Day"

The "Snowdon Supporters" have been working very hard this fall and winter to develop their own cross country ski trails and are now seeing the benefits of those labours take shape. Sunny Rock Lodge has also developed trails at the foot of Canning Lake that interconnect with the Snowdon trails and help in providing a wealth of facilities in that region.

Although these trails are already in use the official opening will not take place until the end of this month. On that week-end the organizers hope to encourage a large number of residents and visitors out to take part in a variety of activities, get to know each other, and to see what has been accomplished. Details of the activities are still in the works and will be announced shortly, but in the meantime mark February 28th and March 1st on your calendar. It's a date for fun in the snow in Snowdon.

What's new

Last week the traditional Christmas tree appeared above the new addition on the Schnitzel House at Minden. This signifies the building has been "topped off" and work inside should come along smoothly without having to depend on weather. This will provide a major addition to their dining room and is scheduled to open this spring.

The Austrian Village has a spectacular new air-tight stove in their dining room that is entirely imported from Europe and in keeping with their theme makes use of porcelain tiles. You've got to

Minden Agricultural Society elected a new board of directors Wednesday evening. The board will have a busy few months as plans are made for the annual Haliburton County Fall Fair scheduled for August 8 and 9. Members of the new board include, from the left, front row, Loretta Nesbitt, Bea Taylor, Bev Connelly, Mary Jane Irwin and Helen Johnson. In the back row are Mervin Gilbert, Marg Miller, Lynn Cox, Bess Cameron, Fred Cox, all three junior directors, Jerry Pillsworth, Wayne Cox and Bill Duncan. Absent when the photo was taken were senior directors Leone Skead and Ray Welch and junior directors Dwain Wruth, Casey Cox and Mary Lou Johnson.

College prepares for busy summer

With courses ranging from ceramics to painting to print making and weaving, Sir Sandford Fleming College's Haliburton School of Fine Arts will begin its 14th season, starting July 6.

Featuring some of Canada's most respected artists and instructors the Haliburton-based school will offer almost 100 week-long courses and workshops this year.

The Haliburton School of Fine Arts is eastern Canada's largest summer art school, attracting up to 700 students each year. Accenting individual instruction, the School specializes in small classes, allowing both the new and experienced artist to develop technique or refine their skills under the guidance of accomplished artist-instructors.

"The Fine Arts School is quite unique," Director Barb Bolin says. "Teachers, artists and professionals take our courses along with entire families. Classes are designed so that an artist, for example, can work on an individual perspective project while the vacationer can work on a general piece of work."

Besides offering courses

such as felt making, sculpture, oil and other types of painting, pottery, jewellery making, silk screening, enameling and fabric arts for adults, the Haliburton School also offers children's courses such as puppetry, music, theatre, dance and mime, painting and pottery.

Some of the instructors teaching at the Haliburton School of Fine Arts this year are English painter Ian Price, New York weaver Albertje Koopman, and Canadian artists Dini Moes, Jane Buckles, Richard Gill, Stephen Hogbin, Dzintar Mezulis, and Anakaret Dean. Most of the School's programs wind up August 7.

The Haliburton School is located on the shores of Head Lake on the outskirts of the village of Haliburton.

While the school offers a limited number of housekeep-

ing cottages on a first-come, first-served basis, there are a number of lodges, motels,

resorts and other rental accommodation available in the area.

MR FOGG'S

Winter & Spring EMPLOYMENT OPPORTUNITIES

Dining Room Sales and Service

Mr. Fogg's is now accepting applications for the winter and spring season. We have full and part-time opportunities for bright, energetic persons who like meeting the public. Personality and attitude are more important than experience as we provide the training.

Snowarama success

(from page one)

was held at the Minden Community Centre, with music provided by a band. The dance was well attended.

Walker noted the contribution of a number of local organizations which added to the success of this year's Snowarama, including Imperial Oil, Gulf Oil and Big Red Oil, providing gasoline and oil products for the snowmobiles, and the Haliburton County Snowmobile Association.

One half of the funds raised will be forwarded to the Ontario Society for Crippled Children, now known as the Easter Seals Society. The other half will remain with the Minden and Haliburton clubs to be used to assist in providing services to the disabled in the county.

see it to believe it.

Maple Sands is undergoing a complete overhaul in the main lodge this winter and in addition to the major improvements anticipated in the interior decor will now be fully licenced and be open in the winter next year.

There is a new ski hill over at Wilberforce. Have you tried it? This year they are starting with a rope tow but have ambitious plans for better tows and more hills by next year. It's right on highway 648 just west of Wilberforce. Give it a try.

SPECIAL OCCASION PERMIT

Supporters work to put Snowdon on the map

Snowdon Township. To many it is simply a municipality one must pass through to get to another destination somewhere in Haliburton County. Indeed, many of those who cross the township on a regular basis, don't even know they are travelling through it.

That may be the case now, but a group has been formed to change all that. They want to put the township on the map...not in a splashy, noisy way, but rather by simply making sure people are aware of the attractions the municipality has to offer and by adding facilities to bring people into the township.

The group, known as the Snowdon Business and Com-

munity Group, is attempting to provide recreational attractions for visitors and residents alike. Formed last September by a group of township merchants, the organization was concerned about the over-all well-being of the county and in particular Snowdon Township. "We

would like to see local people doing something for local people," chairman Bert Smith commented recently. He noted that the organization was initially formed by merchants in the community because, he candidly points out, "they had the most to gain from attracting visitors to the area." Smith is the owner and operator of the

Lochlin General Store.

However, as he points out, the scope of the group has since expanded to include participation from outside the business community, although the merchants still form the core of the organization.

Smith sketches the aims of the group in vague terms, mainly because even the members of the organization are at this point uncertain as to the direction they want to take. An initial press release refers to "...to develop opportunities and create an atmosphere of support for the people within the community."

The aims may be anything but concrete, but the group has completed a number of very real projects. The most prominent is seven miles of cross country ski trails which is to be opened officially later this month.

The trails, much of them over unopened township road allowance were cut and built through a special winter works grant. The organization received the grant after applying for it through the municipality.

"The group hopes to be able to take advantage of these grants in the future," Smith commented.

The chairman had praise for the municipality's clerk, Geoff Wynne. "He was invaluable in helping us through the maze of forms which were required," Smith said. "The support of the council was also encouraging."

The group is sponsoring a dance this weekend at the Gelert Gardens. Funds raised through the dance will be redistributed to the community, probably being given to the three community centres in the township for building or renovation projects. The halls are located in Gelert, Lochlin and Irondale.

The organization also plans to produce a map of the township indicating the location of the various businesses, the recreation areas and points of interest. Smith notes that a large number of old style buildings still exist and are in use in the township. "They are an attraction to visitors," he commented.

The group is considering the creation of a community park on land set aside for this purpose by the township. The possibility of flea market - farmers market for the summer months is another summer project currently under consideration, but no firm plans on either project have been made.

In addition to these activities, the organization hopes to be able to promote the township as a destination for visitors. Smith points out the area has limited development and commercialization. "It should appeal to those seeking a slower pace of life or people looking for a 'back to nature' setting".

The Chairman noted that the organization is in place to do something for the community and, for that reason, will require the support of the public. "Snowdon residents especially are welcome to attend our meetings," Smith notes. There is no membership charge for individuals, although businesses must pay a \$25 annual fee. The fee helps to

cover the expenses and means the business will be mentioned on the township map.

Smith notes that the other members of the organization's executive have contributed to the group's success so far. In particular he points to the effort made by John Francis in getting the project underway. Francis serves as a member of the board and township council representative. Others on the executive include treasurer Jean Farrell, recording secretary Doris Robertson and board members Barry Shaw and George Anderson.

The group meets next Monday evening at the Gelert Community Centre. Interested residents are invited to attend.

Final results Carnival Ice racing

The following are the results from the car racing on ice held during the Minden Winter Carnival a week and a half ago.

The cars are divided into various categories depending on the placement of the engine, motor size and front or rear wheel drive. The following list outlines the various classes:

- class 1: front engine, rear wheel drive, up to 1300 cc
- class 2: front engine, rear wheel drive, 1301 to 3000 cc
- class 3: rear engine, rear wheel drive, up to 1200 cc
- class 4: rear engine, rear wheel drive, 1201 to 3000 cc
- class 5: front engine, front wheel drive, up to 1000 cc
- class 6: front engine, front wheel drive, 1001 to 3000 cc
- class 8: studded tires
- class 10: second driver class

The feature race involved the first five drivers in each class while all other drivers competed in the consolation feature.

A number of local drivers took part in the races. They included John Coneybeare of Haliburton, driving a Mini; Ken Fielding of Minden in a Fiat, and Tom Prentice of Minden in a Mini.

Saturday races

Class one and two: first John Powell; second Bill Burch; third Glen Walker.

Class three and four: Bill LeFeuvre, Tim Whitfield and Murray Lantz.

Class five and six: Ross Eddie; Nicholas Beck; Gerald Haley.

Class eight: Sy Langaraap; Bill LeFeuvre; Greg Rice.

Class ten: Ken Graves; Ann Eddie; Bob Attrell Jr.

Feature: Bill LeFeuvre; Tim Whitfield; Ross Eddie.

Consolation: Ken Graves; Bob Attrell Jr.; Ann Eddie.

Sunday races

Class one and two: John Powell; Michael Zenon; Tom Hyland.

Class three and four: Bill LeFeuvre; Tim Whitfield; Murray Lantz.

Class five and six: Wait Smith; Dave Hodgkinson; Sy Langaraap.

Class eight: Bill LeFeuvre; Les Rice; Sy Langaraap.

Class ten: Bob Attrell Jr.; Harry Beck; Ann Eddie.

Feature: Bill LeFeuvre; Tim Whitfield; Nicholas Beck.

Consolation: cancelled due to heavy snow flurries.

Snowdeo

The snowdeo sponsored by the Haliburton County Snowmobile Association, drew 22 entrants during the Saturday run. The event required drivers complete an obstacle course. Penalties were assessed for striking markers while completing the run and each driver was given two chances on the course.

According to the organizer, most drivers lost points because they attempted to drive too fast, losing points when they struck the markers. All of the three women who entered the contest finished in the top one third.

Here are the results: first overall in the contest was Mark Lester with a time of 47 seconds. First in class: Mark Valentine, 47 1/2 seconds; second Barry Paterson, 50 seconds; third G. Thompson, 52 seconds; fourth Rick Greives, 53 seconds. First woman Joanne White, 60 seconds; second woman, Joy Greives, 63 seconds.

Editorial

Clearing the backlog

The policy with regard to the closing and sale to abutting landowners of road and shore allowance property, announced recently by the Ontario Ministry of Housing should be welcomed by municipal officials, landowners and the public. The policy, announced at the January meeting of the Haliburton County Council is fair and equitable to all parties concerned.

For road allowances leading to the lakes, the Ministry of Housing has indicated that the rights of the public for access to the bodies of water of the province, must be protected. It recognizes that not all such unopened rights of way need to be held by the townships, but it also points out the responsibility of the municipalities to ensure those who are not fortunate to have property on the lake or river should not be denied access to it.

In a similar manner the policy protects significant historical, cultural or ecological areas from potential harm by not allowing it to pass from municipal control.

An aspect of the policy of more interest perhaps to Haliburton County property owners, involves the closing and sale of shore allowance. In this regard the Ministry of Housing policy closely follows the one announced last year by the county. Again, the rights of adjoining landowners and the public are protected. As well, confusion over how the lines are to be drawn is clarified with the province opting for the extension of property lines perpendicular to the shore. It recognizes this rule may create hardships and permits a negotiated agreement between adjacent landowners.

The only question the provincial policy does not deal with explicitly is the charge to be levied by the municipality for the land it is selling. The provincial policy states costs involved should be recovered, but the price of the land is to be left to the municipality. The county policy has already established a \$250 minimum for a lot (up to 150 ft) and \$1 a foot for each additional foot. We think that is a reasonable amount.

For at least two years property owners wishing to purchase the shore allowance in front of their lots have been placed on 'hold' by municipal councils who were uncertain about what course the province would take. The situation created frustration and consternation among property owners. Now that the province has announced the policy and the county has set its standards, the wheels should be set in motion to clear the back log of requests received over the past few years.

Hawk River

Report from Parliament

by William C. Scott, M.P.

The Liberal and NDP members of the joint Senate/House of Commons Constitution Committee have closed ranks to minimize the contributions of the Progressive Conservative members to these critical discussions.

The Honourable Jake Epp, one of the Conservative members of the committee, reacted with shock and disbelief when the Liberal/NDP bloc voted down his attempts to have the preamble to our constitution contain a reference to the supremacy of God.

Labelling the Liberal/NDP coalition "an unholy alliance", Mr. Epp said that he could not understand how anyone could object to enshrining the concept of God as the Supreme Being in our constitution.

This concept is the basis, or foundation of the moral values that distinguish our free society from those Godless societies in some parts of the world.

The Conservative motion reads, in part: "Affirming that the Canadian nation is founded upon principles that acknowledge the supremacy of God, the dignity and worth of the human person and the position of the family in a society of free individuals and free institutions."

It must be said that this preamble is noble in spirit and serves as spiritual and moral foundation to our constitution. I am disappointed that it

will not be accepted.

Another motion put forward by the Conservative members of the committee is one that would enshrine in our constitution the right of all Canadians to own property and enjoy it in perpetuity. This motion was also rejected by the Liberal/NDP coalition on the committee.

The Liberals rejected it because the NDP did not want it in the constitution, and it was part of the price that the Liberals are prepared to pay in order to ensure NDP support of the government's position.

The Conservative motion on property rights read: "Everyone has the right to life, liberty, security of the person and enjoyment of property and the right not to be deprived thereof except in accordance with principles of natural justice."

It would be a serious mistake, and I might even add a mistake of tragic proportions to write our constitution in such a way as to make it easy for anyone to install a government in Canada at any time in our future that is alien to our founding principles and our traditional concepts.

A large proportion of new immigrants to Canada are people who are fleeing from the oppression and restrictions of socialist governments. Many of those governments from which our immigrants have fled also repudiate the

concepts of God and Christian principles, and the sanctity of the individual.

If we are to survive as a free society, resting on a foundation of Christian principles, then these values must be enshrined in our constitution.

Despite annual emissions of acid-forming gases of close to 500,000 tons per year, about a quarter of Ontario's total, Hydro persists in its incredible claim that it contributes less than 1% of Ontario acid rain. In comparing their own performance with other utilities, Hydro spokesmen include our top-heavy component of nuclear and hydro-electric sources, which masks even further our true contribution from coal. But Hydro doesn't fail to point out the advantages of their shift to "clean" nuclear power, an approach to acid rain control that would be disputed by many environmentalists.

The most serious repercussion of Hydro's laxness will be

STANHOPE NOTES

A.F. Stevenson

As is now well known, fire struck at the home of Mr. and Mrs. Carl Harrison completely destroying it with the contents, and making it the second such loss in the space of a week for families in Stanhope Township. As was previously mentioned in this column, the Airport Committee arranged to make a donation of half the proceeds of their dance, to be held February 14th, to the Barjarow benefit fund, while in the case of the Harrison fire - arrangements are being made to have a benefit dance on March 14th. No doubt the generous support of the area people will be forthcoming for aiding both stricken families.

The recent market value re-assessment of properties has caused more than a little dissatisfaction in Stanhope Township and we would be very surprised if the number of appeals against the new assessment is not quite substantial. It is easy to form this opinion from the comments one hears in passing, and if the various assessed property owners have the fortitude to back their criticism of the re-assessment there will be a voluminous list of objections.

The anger seems to range from over evaluation of land values to doubts about property market values. It is only natural that many of the objections will come from seasonal residents, who, besides being in the majority, are also the owners of properties which they claim have been improperly assessed from a variety of viewpoints. This may be a good time for seasonal and permanent residents to decide on a basic approach on this subject, keeping in mind that while there may be some differences between the ideas of permanent and seasonal

residents on property ownership obligations, there is little disagreement on the question of dubious methods of assessment.

Those who find they have ground for objecting to their assessments are reminded that the last day for lodging a complaint is February 17th, 1981.

Users of St. Peter's road will have noticed that the visibility in the vicinity of the bridge has been greatly improved, thanks to work of the brushing crew engaged in removing dead or low hanging branches. Approaching from the St. Peter's Church side of the bridge it is now possible to see vehicles at the North Shore Road intersection with the bridge, or vice versa.

Two years for cottage break-ins

Two Toronto men drew sentences of two years each after they were found guilty of breaking into three cottages on Mountain Lake. The break-ins took place in September 1979.

The pair appeared in County Court in Lindsay February 4 to answer the charges.

Sentenced to the penitentiary terms were Randall Steven Steele, 25, and Gary Brian McKend, 22. Both were serving time in penitentiary for similar offenses committed in the Toronto area.

Investigation of the local offenses was carried out by Constable Barry Connelly.

Skidder stripped

Parts, valued at \$560, were removed from a log skidder parked on a bush trail in Hindon Township. The incident was reported to police Friday morning by employees of the Ministry of Natural Resources.

Constable Brian Dunham is investigating the incident.

Window broken

A \$500 store window at the front of Cox's Apparel in

The Committee for planning Stanhope's Fun Day 1981 held its first meeting and Chairman Anne Barker advises us that letters have gone out to various government agencies inviting displays for the event. It is hoped that this earlier initiative will have positive results in providing a larger and more interesting Stanhope Day. No doubt considerable effort will be put forth during the intervening months as the planning needs become clearer and the tasks are delegated to the various committee workers.

Keep in mind the February 14th dance at the Community Hall, and if you wish to make donations of food to the Airport Committee for the event they will be welcomed as a means of keeping costs down, and the proceeds to the Barjarow benefit fund will be enhanced. Contact Pam Rolfe at 489-2359 regarding information on food or tickets. Donations of cash or cheques may be made to the Barjarow benefit fund to Gerald Bain at the Township Office.

Minden was broken during the weekend. The large pane was damaged sometime Friday evening.

Constable Weldon Popp is investigating.

Truck rolls over

A Haliburton man suffered a broken jaw in a single vehicle accident Monday evening.

Steve Cooper, 27, of Dudley Township, was travelling north on Highway 35 near the North Shore Road when he lost control of his pick-up truck and the vehicle rolled over.

Damage to the truck, which was described as a total wreck, was estimated at \$5,000.

The driver was taken to Peterborough Civic Hospital for treatment of the injury.

Constable Boyd Jarvis of the Minden OPP investigated.

Box 277, Lindsay, Ontario, K9V 4S1, or the president, Frederick G. Reynolds, Box 400, Bobcaygeon, Ontario, K0M 1A0, at least five days prior to the convention.

Registration 1:00 p.m. Convention 2:00 p.m.
Guest speaker: Honourable Bette Stephenson, M.D., Minister of Education
ALL WELCOME

SENIOR LEAGUE

by
Linda English

The residents gathered in the auditorium on Monday morning to start the week with a vigorous session of fun and fitness. Everyone enjoys exercising to lively fiddle music. The ladies went to the craft room to work on their projects later in the afternoon. The quilt blocks are now completed and the quilt will be on the frames shortly. Our ladies are looking forward to completing this project.

Monday evening was movie time in the auditorium. Several residents enjoyed three very interesting films. "Shannon - Portrait of a River" was filmed in Ireland. The Shannon River is one of the biggest in the western world and it joins a great system of lakes.

"The Seasons" was a very picturesque film showing us the beauty of the changing of the seasons.

"Village In The Dust" was filmed near Toronto. It showed us how archeologists discover articles which were used by the Iroquois by digging in the sand. Mammal and fish bones, human skulls and bear teeth are just a few of the treasures found. It is very interesting work, and these people are discovering more and

more about the history of Ontario.

Tuesday morning, Reverend George Elliott of Minden Anglican Church held Communion service in the Chapel. Mrs. Taylor was on hand to play the organ during the service.

Mr. and Mrs. Earle Cooper were here on Tuesday evening to entertain for Music Night. Our residents thoroughly enjoyed the music and always look forward to the good-old toe-tapping music. Our thanks to these kind people for a wonderful time.

Wednesday evening, the auxiliary members

were on hand to assist with Games Night. Everyone enjoyed the games of euchre, cribbage and crokinole.

The U.C.W. of Minden brought a delicious assortment of muffins and cheese for the Thursday tea party. The residents enjoyed the goodies and visiting with these familiar ladies.

Friday afternoon we were pleased to welcome Grace Coburn and Norma Barron to lead the sing song. We've missed Grace's fine voice for the past couple of weeks as she has been sick with a cold. She seems much better now and we're very happy to have her back with us.

Last week, I stated that the Hyland Crest float in the Winter Carnival got first prize. Actually, we came in third.

Become a Regional Councillor

The Southcentral Regional Council of TVOntario is looking for applicants for nomination to a council seat.

TVOntario has five regional councils, each composed of 15 members who meet regularly to advise the network on policy relating to the educational television service in their region. The regional councillors, all volunteers, are also active in creating awareness in their own communities of the many services available from TVOntario. In addition, they help organize community workshops and meetings on utilization of the educational television service.

Each council reflects the geographic, cultural, and professional profile of the region it serves. Members of the regional councils are appointed for terms of up to three years, renewable once.

Applications for nomination to the Southcentral Regional Council, along with résumés, should be received by Wednesday, 18 February 1981. If you would like to serve as a volunteer regional councillor, or know of a person who could help in this important work, please contact:

Heather Gardiner
Chairwoman
TVOntario - Southcentral Regional Council
57 William St. S.

PUCK TALK

Novice

It was Minden Novice 3, Haliburton 1 in a game played February 3 at the local arena. The contest was one of three for the Novice team during the past week of action in the Minden Minor Hockey League.

Scoring for Minden were Aaron Hie unassisted; Kent Taylor from Mike Muli; and Joey Boyle, unassisted.

The second game of the week saw the Novice defeat Bobcaygeon 5-1 in a game played in that community. Kent Taylor slammed home four of the goals for Minden while Joey Boyle picked up the fifth marker. Robbie Ackerblade recorded three assists in the contest.

The Haliburton Novice team sought and got its revenge Saturday afternoon in Haliburton as they defeated Minden 3-0 in the first game of the play-off series. The best two of three play-downs continues this week, with the second game slated for last night. (Scores next week).

Atom

The Minden Atoms have lost the first two games in their round robin play-offs. They were defeated 5-0 Thursday night in Minden when they faced Bobcaygeon.

Saturday afternoon in Minden they were defeated by Sunderland in a close match, 4-3. Scoring for Minden were Scott Russell from Sheldon Stevenson; John Francis from Derek Allison; and Derek Allison, unassisted. The Allison marker came with just three seconds left to play in the game.

The Minden Atoms will be in Haliburton this weekend to take part in a hockey tournament in that community.

Pee Wee

In the first game of a round robin play-off Minden Pee Wees triumphed over Sunderland defeating their hosts 4-3. The game was played February 3. Tom MacLeod picked up two goals for Minden with John Wells and

Gord Wood notching singles.

Batom

The Minden Bantams have come up with two shut-out victories in the opening round of their end of the season play-offs against Sunderland. In the first game February 2, the Minden team downed their hosts 5-0.

Scoring for the Minden team were Doug Schell with a pair. Assists on the Schell goals went to Rob MacLeod on both, and Scott Yake and Paul Walker; Scott Hamilton from John Dillon and Jeff Stamp; Scott Yake from Rob MacLeod and Doug Schell; and Jeff Howe from John Dillon and Scott Hamilton.

There were six minutes of penalties in the game for each team.

In the second contest, played Sunday at the Minden arena, Minden trounced Sunderland 7-0. Scott Hamilton and Doug Schell each netted a pair of goals for Minden, with Schell also picking up an assist. Other scorers included Jeff Stamp with a single and an assist; Rob MacLeod with one and one; and Scott Yake

Hall's into final

Hall's Insurance has advanced to the final round of the Men's Recreational Hockey League play-offs.

The team earned the berth in the final series by defeating Hartwick Construction 9-3 Monday night. The game was the second in a best of three semi-finals. Hall's won the first game in the play-offs as well.

The Hall's team will now face the winner of the Home Hardware - Rockcliffe Hotel series. Monday evening Home defeated the Rockcliffe by a 9-1 margin. The first game in the series ended in a tie and Home has a chance to win the series next Monday.

with a goal and an assist. The scorers drew assists from John Dillon, Joel Gentle and Jeff Howe.

Scott Danilko was in the nets for Minden in both games, claiming the shut-out credit.

Midget

The Minden Midgets are also into their round robin play-off series and have lost their first encounter, being defeated by Orono 7-3. Scoring details are unavailable.

Juvenile

The Minden Juveniles recorded two victories this past week taking their first round of play-offs against Millbrook. The series was a best two of three contest.

The first game saw the Juveniles defeat Millbrook 6-0 February 2 in Millbrook. Scoring stats are unavailable for that match.

Back in Minden Friday the Millbrook team put up a more solid offensive game, capturing a two goal lead that held until the mid-way point of the final period. Dave Lennie then opened the scoring for Minden with assists going to Casey Cox and Greg Carpenter. Les Booth tied the score less than a minute later with assists going to Kevin Shapiera and Shaun Silvers. The winning goal went to Rick Choy assisted by Warren Mann.

The Juveniles now advance to a series against Wasaga Beach.

The schedule

Thursday, February 12: 7:00 p.m. - Bobcaygeon

All these women are pleased to be losers. Members of the Minden branch of Calorie Counters, these 12, and six more from the local group, were awarded blue ribbons for losing from 10 to 60 pounds each. In total, the blue ribbon award winners shed 379 pounds. Looking a little thinner and a lot happier are, from the left, front row, Carolyn Baker, Maxine Kent and Corinne Fleming, second row, Shirley Hie, Eileen Shepstone, Bev Connelly, Joanne Anderson and Karen Eager, back row, Waneeta Hogg, Moira Brandon, Judy Stevenson and Phyllis Sutherland. Losers who were not available for the photo include Elizabeth Alrutz, Holly Cooper, Annie Hurtta, Lois Barry, Eleanor Hall and Verna Sawyer.

Atoms at Minden.

Sunday, February 15: 5:30 p.m. - Bobcaygeon Midgets at Minden.

Saturday, February 14: The Tim Harrison Memorial Midget Tournament will be held with eight teams participating. Teams will be on hand from Haliburton, Beaverton, Woodville, two teams from Oshawa, Peterborough, Kitchener, and of course Minden.

286-1321

We notice February 14th is close to the Roman Feast of Lupercalia and at this boys drew girls names from an ewer. This continued until in the 18th century. Valentine verses are known to have been written back in Shakespeare's time, and in early 1800's cards were printed. Now we send Valentines to those we like and sometimes it arrives unsigned but others prefer to say it with flowers, mainly roses, but carnations are now a close second.

When someone walks beside us
On the road that we must keep.
Our burdens seem less heavy -
The hills are not so steep.
The weary miles pass swiftly
As bravely on we stride;
And all the world seems brighter
With someone at our side.

Anon

Bradley Robinson of Weston and a friend Chris Armstrong spent the weekend with Mr. and Mrs. Phil Robinson.

Perhaps you would like to know about some people who are under the weather - Ellen Knight, Norah Briggs, Irene Houghton, Lillian Madill, Helen Minto, Rowland Sedgwick, Don Berry, Mark Vasey and Jim Ellestone. All our best wishes to you all.

There was another draw on Wintario Tickets at Mae's on Saturday, but only the tickets purchased here are eligible, code no. 23-938; winner last week of the puzzle was Tammie Pritchard.

Sincere sympathy goes to the family and friends of the late John Hartford who passed away since last week.

What a burst of prayers must have gone up all over Canada on Sunday as people were asked to say a special prayer for Terry Fox.

Tomorrow

He was going to be all that a mortal could be - Tomorrow; No one should be kinder or braver than he - Tomorrow; A friend who was troubled and weary he knew, Who'd be glad of a lift, and who needed it, too; On him he would call, and see what he could do - Tomorrow.

Each morning he stacked up the letters he'd write - Tomorrow; And he thought of the folks he would fill with delight - Tomorrow; And hadn't a minute to spend on his way; But oh, he was busy, or weary today; More time I'll have to give others, he'd say, Tomorrow.

The greatest of helpers this man would have been - Tomorrow; The world would have known him, if ever he'd seen - Tomorrow; But the fact is he died and faded from view, And all that he left here, when living was through, Was a mountain of things he intended to do - Tomorrow.
Edgar A. Guest

At the weekly Mini Card Party at St. Paul's Parish Hall

last Thursday afternoon, winners were at cribbage Vera Ward and Luther Wilson; for euchre lone hands, Verna McDonald and others Freida Harrison and Illa Cooper. These start at 1:30 sharp and everyone is welcome to come out and meet the Gang and make new friends if you have just moved into our village.

Mrs. Bill King has had her daughter Mrs. Andy England of Barrie visiting with her.

We saw and heard many snowmachines last weekend and we heard also that the project was a success and the dance at the Centre on Saturday night as well.

The PlaySchool sponsor skating at the regular price at the Arena, this week only on Friday afternoon, but remember after this they go back to the regular Thursdays.

Miss Jodi Campbell of Scarborough spent the weekend with her parents Mr and Mrs Don Campbell.

Not much to put in the column this week, if you have anything special do phone or drop us a line, but we need this by one o'clock on Mondays.

Busy time next weekend as

the Bowling for Millions goes on at Carnarvon Lanes and information on this is from Don Wolfram and Ron Robinson Sr. Also that afternoon are Movies at the Beaver Theatre, sponsored by the Guides and Brownies. Then that evening will be the annual Kinette Valentine Dance at the Centre, with a D.J. and everyone has a good time at these affairs. Then Wednesday, February 18 at 2 p.m. is the Women's Institute Meeting at the United Church Hall with all ladies welcome.

Love they say, makes us glad
How about it when we're sad?
Sadness only comes from doubt
Therefore cast the sadness out.
Love to all brings perfect calm,
Fills the soul with rearest balm,
Heals all wound, this I know,
That is why I tell you so.

Anon

You might like to know that snow has been pushed right into the ditch on Bobcaygeon Road south on opposite side to the IGA and also slippery under all the snow so watch it. Take your time, you might like to have some left over for tomorrow. Cheerio until next time.

Lines from Lutterworth by Jean Lacey

Hi! Sure were a lot of snowmobiles around over the weekend. Hope the Whipper Watson Snow-a-rama made out alright.

The H.C.S.A. dance was well-attended. Everyone seemed to have a good time.

Jim, Joanne, Joshua and Crystal Oatman were up visiting over the weekend.

The Dunsfords spent the weekend in Toronto and took in the Camper Show.

The Roodenburgs did some cross country skiing as well as down hill skiing and hiking on the weekend, all had a good time.

So sorry to hear of the passing of Mr. Hartford. The funeral was Monday. Our prayers and condolences are with his family.

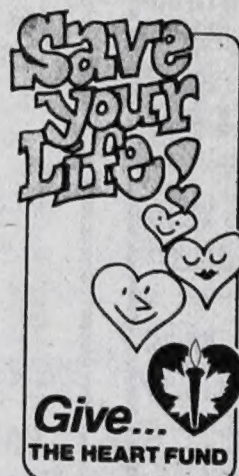

My father can hold up a car with one hand.
He must be very strong.
No. He's a traffic cop.

Kennel Call

The following dog is available for adoption at the Minden Animal Clinic. Those wishing more information can contact Dr. P.J. Bennett at 286-2919.

-black Labrador retriever, female, very friendly, approximately one to two years of age.

attend.

Galway euchre game results from last Wednesday were as follows:

Men's high: Harry Stewart.
Men's low: Jeff Roberts.
Ladies high: Muriel Nightingale.

Ladies low: Jo Davidson.
Lone Hands: Helen Johnston.

Many thanks to Dorothy Stuart for the prizes she donated.

Birthday wishes to Freda Hulbig and Robert Allen.

Have a good day. That's all for now.

Kinmount Klippings by Pat Shorter

Glad to see everyone had a good time at the Kinmount Winter Carnival.

Don't forget on February 14, 1981 the Galway - Cavenish Volunteer Fire Dept. is having their Winter Carnival at the fire hall. Plan to spend your day as follows:

9-11 a.m. - Pancake breakfast.

9-12 noon: Bake sale.

9-12 noon: Cross-country snowmobile races.

11:30 a.m.: Snowmobile Safari.

8:00 p.m.: Dance - Tickets in advance or at door.

For further information call 488-2078. Please plan to

NOTICE

to parents of students at

HALIBURTON HIGHLANDS SECONDARY SCHOOL

All students will receive mid-year reports on FRIDAY, FEBRUARY 13, 1981

To discuss the achievement of your son/daughter

PARENT'S NIGHT

will be held at the High School on TUESDAY, FEBRUARY 17, 1981 from 7 p.m. to 9 p.m.

Appointments are not necessary.

T. B. Mosgrove
Principal

It cannot go to heaven
And will not stay on earth.
What is it?

A Dragon Kite

Little Boy: I've lost my dog.
Little Girl: Why don't you put an ad in the newspaper?
Little Boy: Don't be silly. My dog can't read.

Little Girl: Teacher, I just added these figures ten times.
Teacher: That's wonderful!
Little girl: And here are the ten answers.

What was Ben Franklin's kite made of?

Flypaper

If April showers bring May flowers, what do Mayflowers bring?

Pilgrims

There's music in a hammer,
There's music in a nail,
There's music in a pussycat,
When you step upon its tail.

What do you do if your toe falls off?

Call a tow truck.

If an athlete gets athlete's foot, what does an astronaut get?

Missile toe.

Bye for now. Take it easy.
God bless till next time.

CORPORATION OF THE TOWNSHIP of LUTTERWORTH

NOTICE

All dogs are required by law to be tagged. The fee for each licence tag is \$5.00. 1981 Dog Licences and Tags are now on sale at the Municipal Offices, located approximately 3 miles south of Minden, Ontario; on Highway 35, or from the By-law Enforcement Officer.

Further take notice that charges may be laid at any time after May 1st, 1981, for any dog not licenced and tagged according to law. Charges may also be laid if a dog is found running at large whether tagged or not.

Wayne D. Hughes,
Clerk-Treasurer.
